Hours Reported:
 January – 420,460
 February – 471,496
 March – 508,901.4

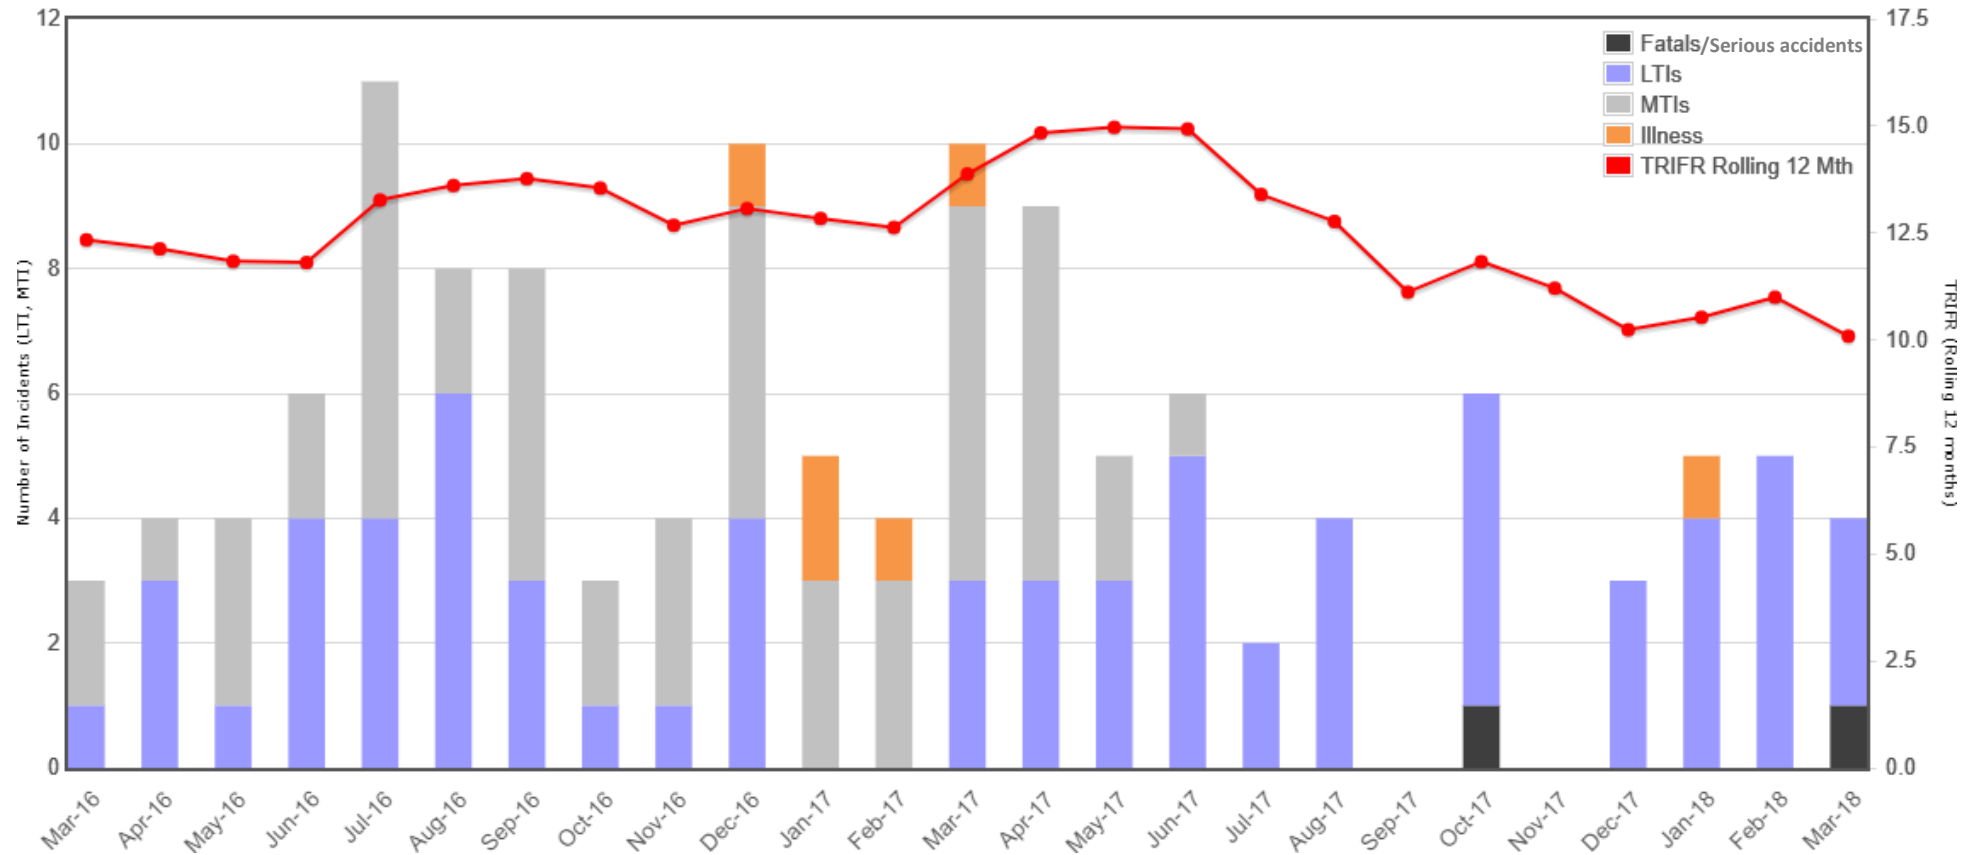

MinEx Safety Statistics – Q4 2017

Incident breakdown: All operations – incident breakdown

MinEx Safety Statistics – Q4 2017

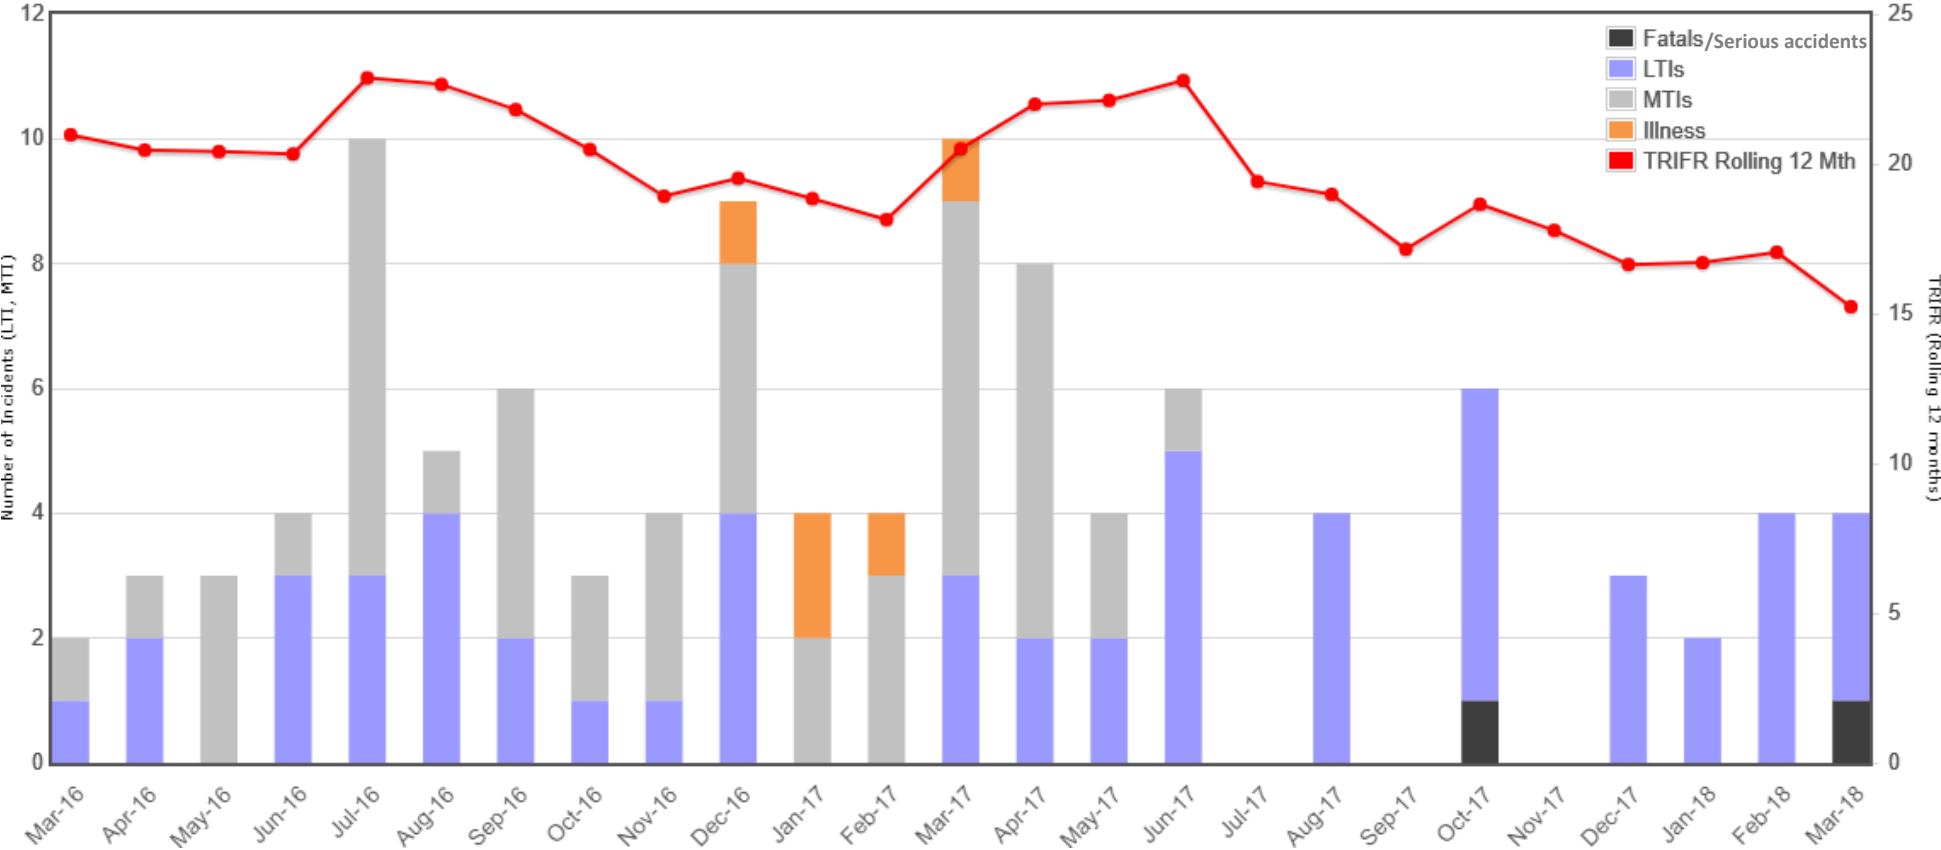

TRIFR data: Surface – March 2016 to March 2018

Note: No MTI data collected after June 2017

MinEx Safety Statistics – Q4 2017

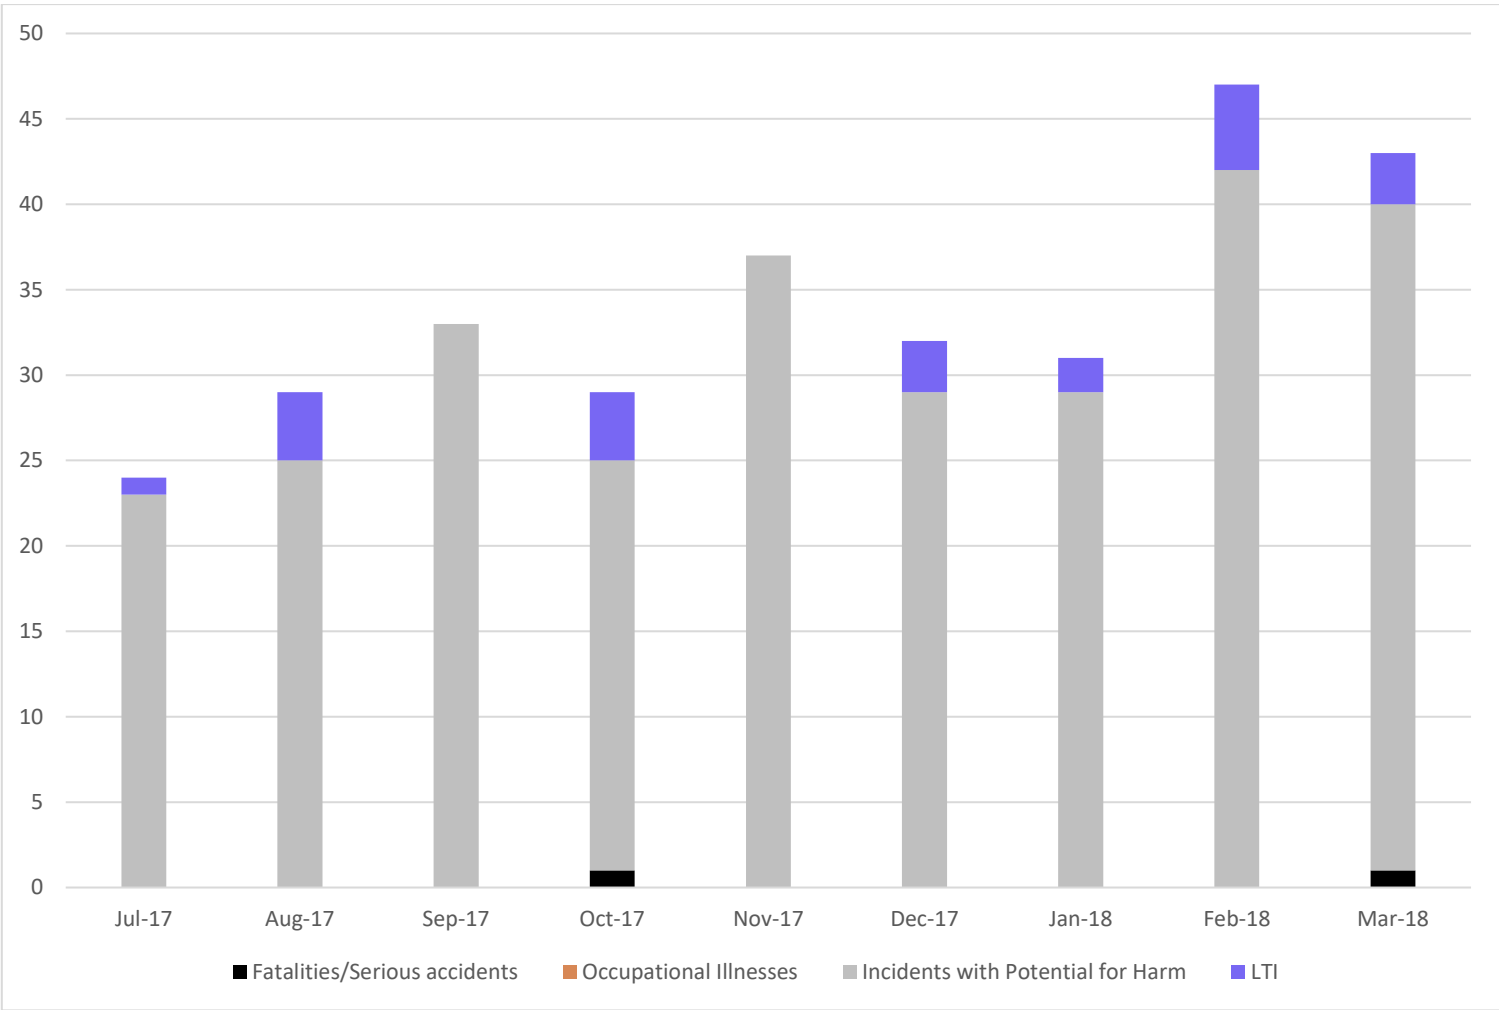

TRIFR data: Surface – Quarries, March 2016 to March 2018

Note: No MTI data collected after June 2017

MinEx Safety Statistics – Q4 2017

High potential incidents: Surface – Quarries, July 2017 to March 2018

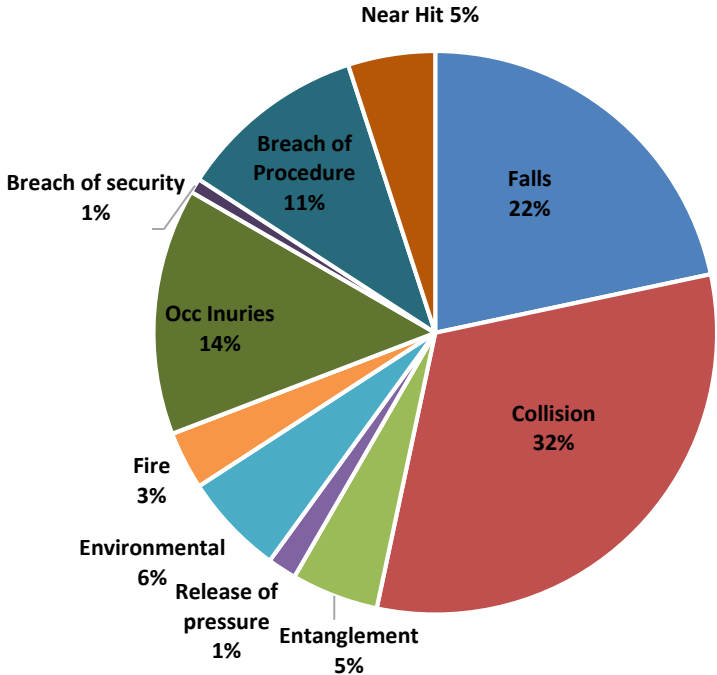

Hours Reported:
 January – 191,064.5
 February – 237,078.2
 March – 268,184.9

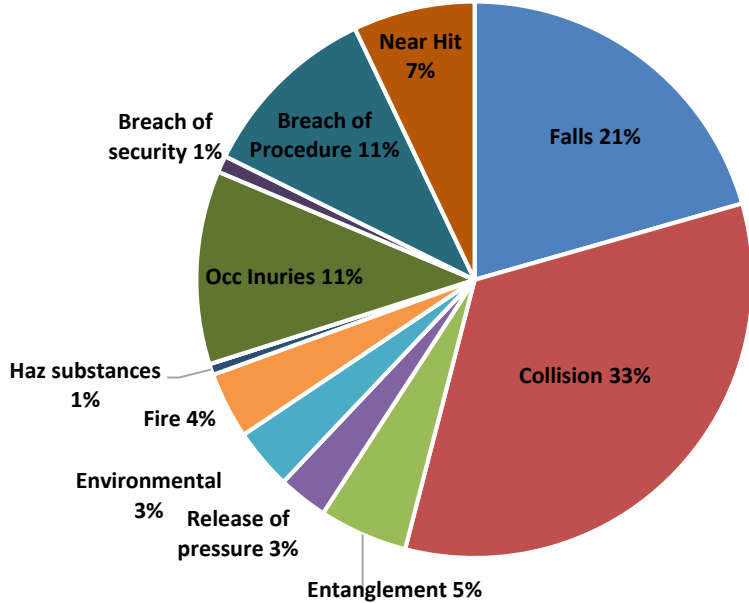

MinEx Safety Statistics – Q4 2017

Incident breakdown: Surface – Quarries incident breakdown

Surface - Quarries
Incidents Jan 2018 to March 2018

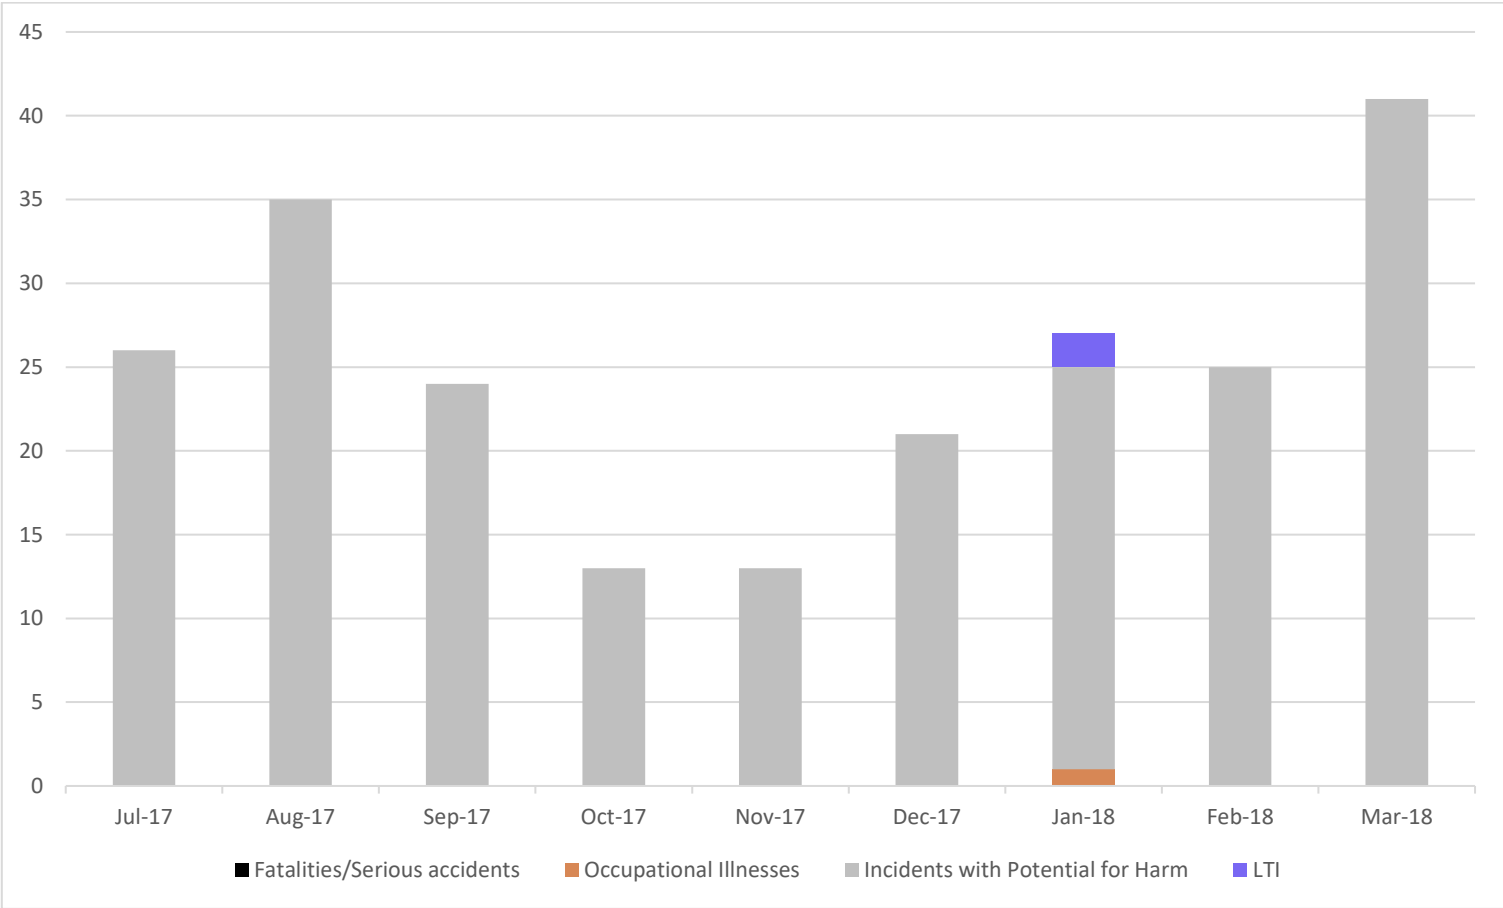

Surface - Quarries
Incidents July 2017 to March 2018

MinEx Safety Statistics – Q4 2017

High potential incidents: Surface – Metalliferous, July 2017 to March 2018

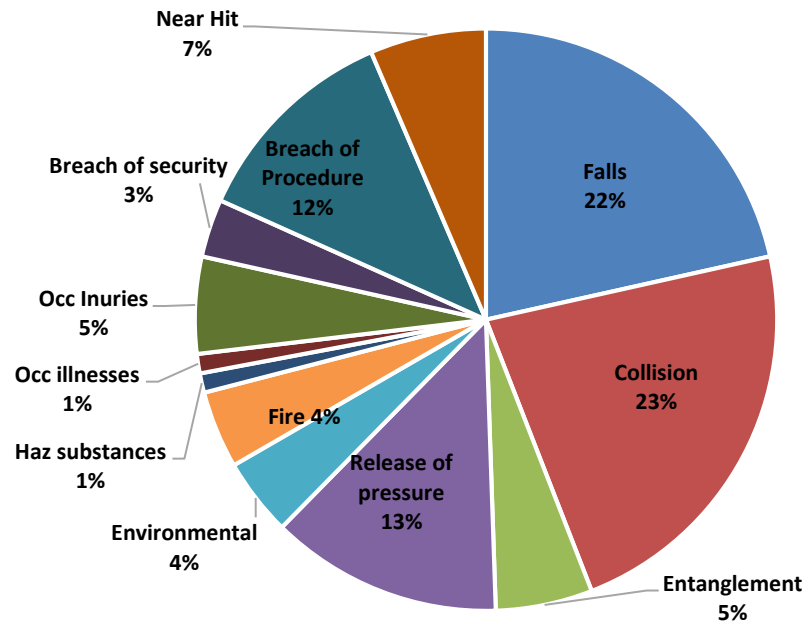

Hours Reported:
 January – 128,013
 February – 130,130
 March – 131,476.5

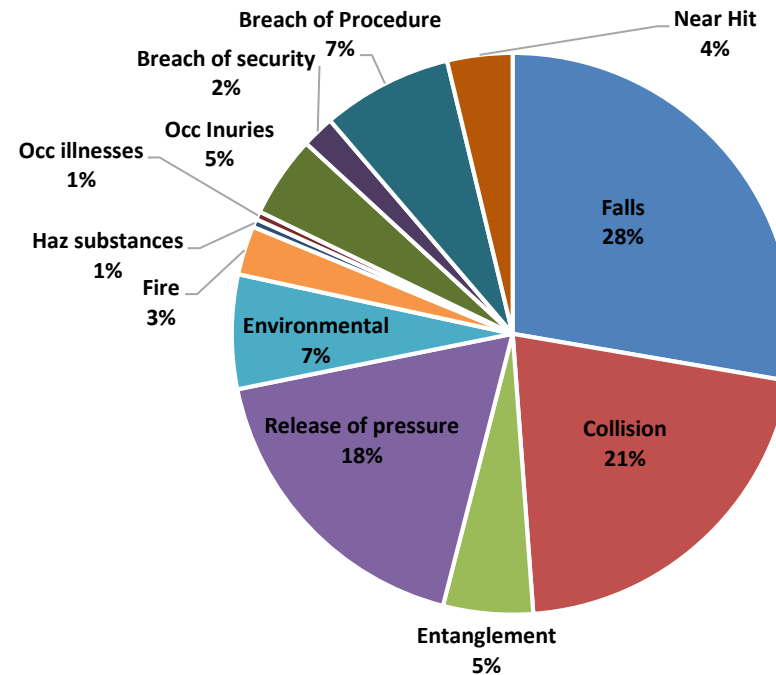

MinEx Safety Statistics – Q4 2017

Incident breakdown: Surface – Metalliferous incident breakdown

Surface - Metalliferous
Incidents Jan 2018 to March 2018

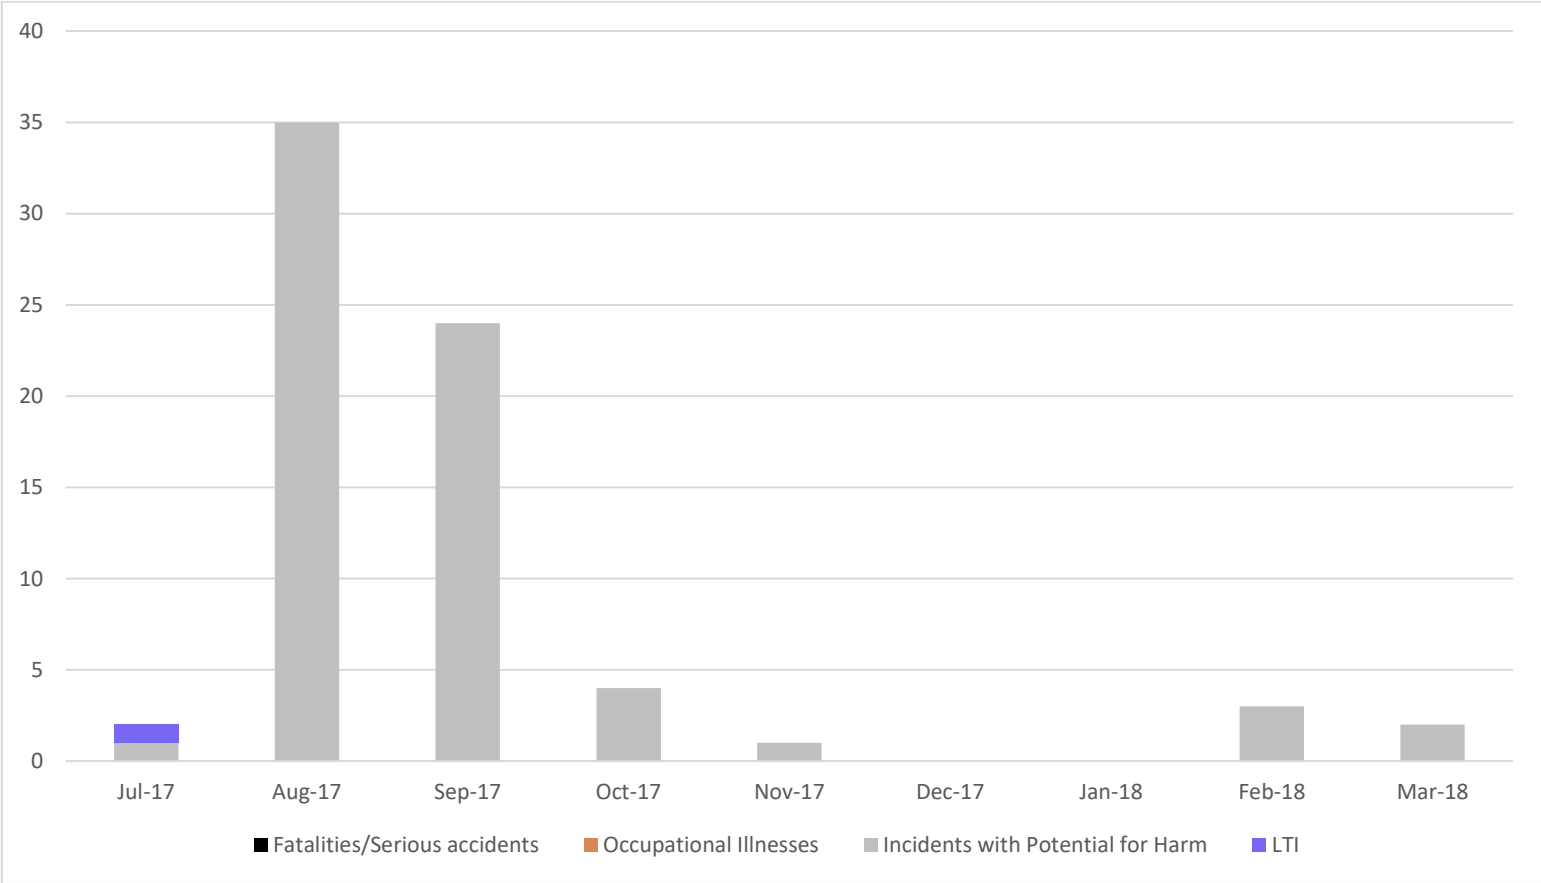

Surface - Metalliferous
Incidents July 2017 to March 2018

MinEx Safety Statistics – Q4 2017

High potential incidents: Surface – Coal, July 2017 to March 2018

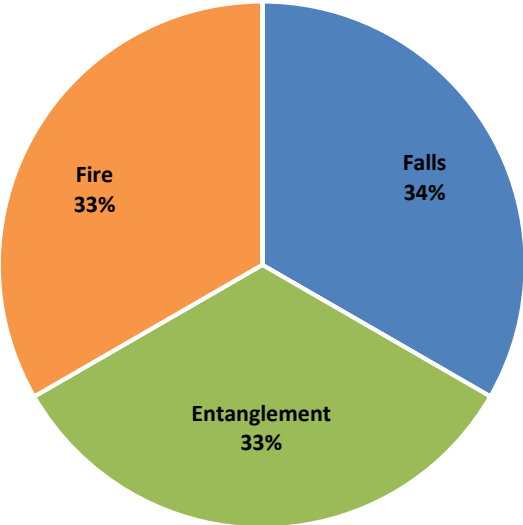

Hours Reported:
 January – 10,726
 February – 13,766
 March – 15,714

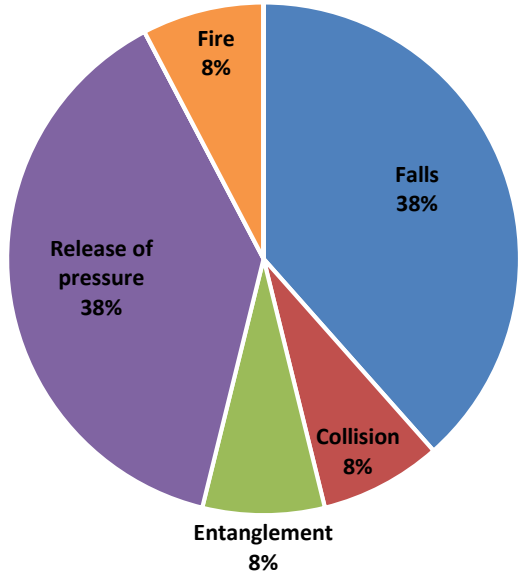

MinEx Safety Statistics – Q4 2017

Incident breakdown: Surface – Coal incident breakdown

Surface - Coal
Incidents Jan 2018 to March 2018

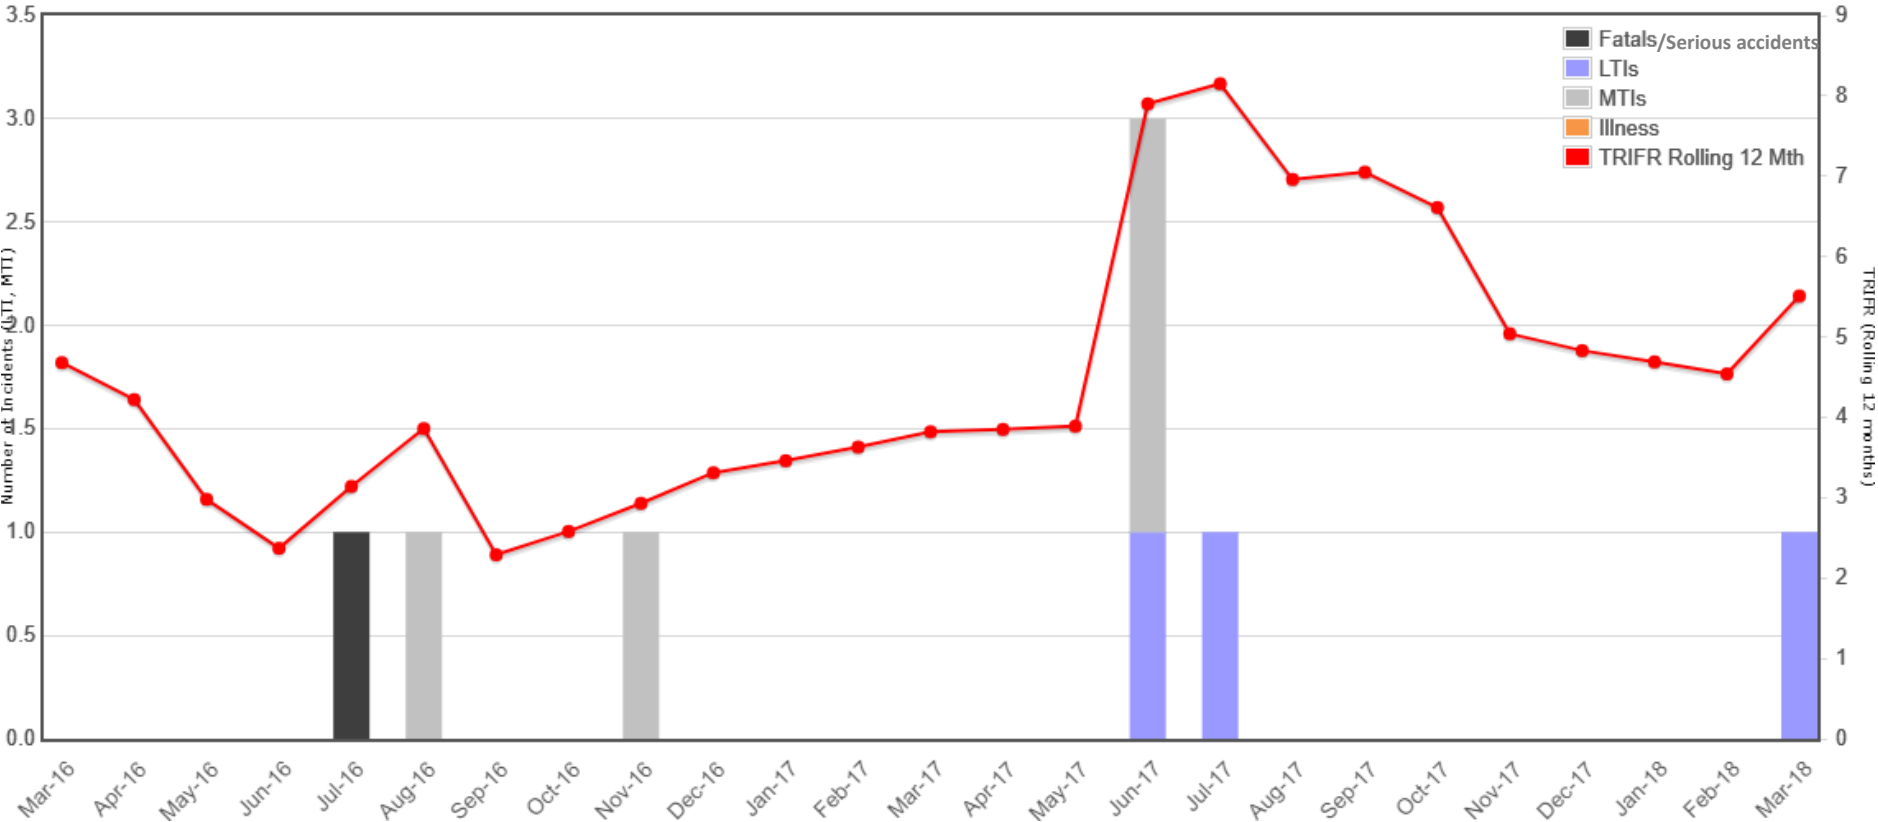

Surface - Coal
Incidents July 2017 to March 2018

MinEx Safety Statistics – Q4 2017

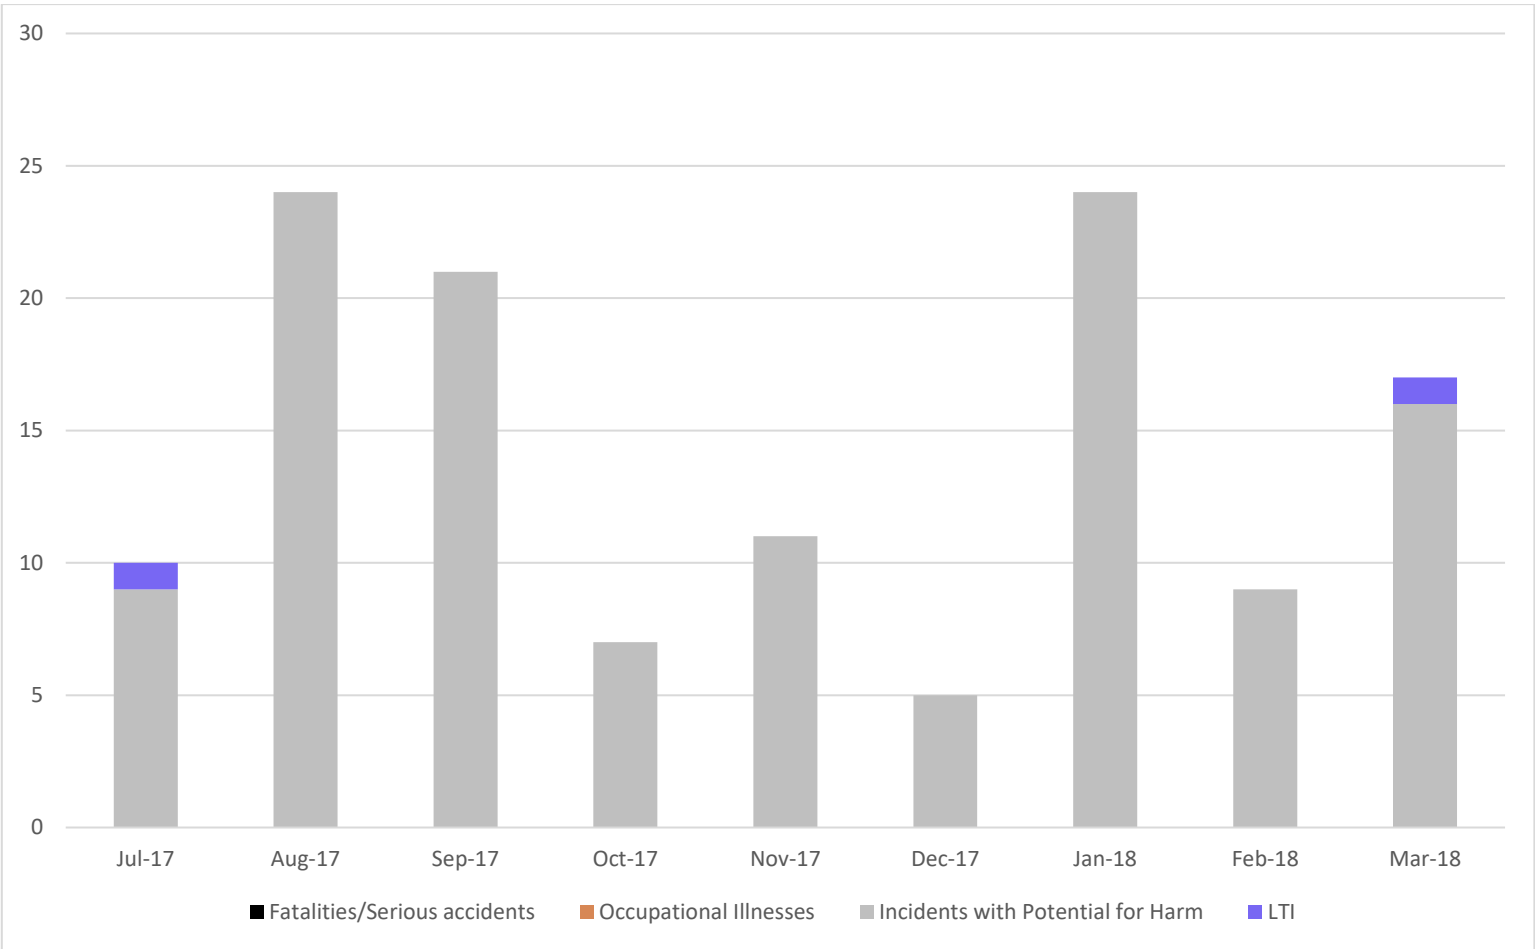

TRIFR data: Underground – March 2016 to March 2018

Note: No MTI data collected after June 2017

MinEx Safety Statistics – Q4 2017

High potential incidents: Underground – July 2017 to March 2018

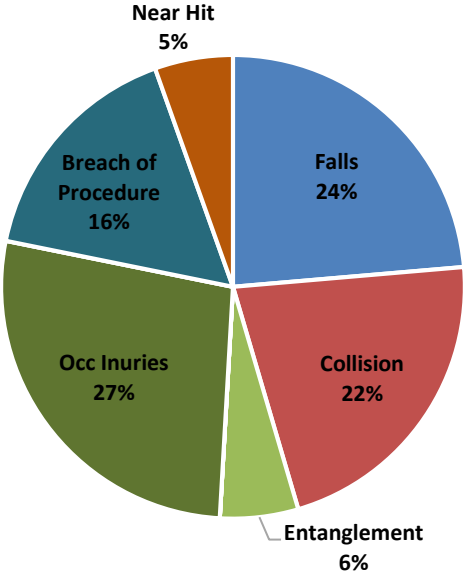

Hours Reported:
 January – 90,656.5
 February – 90,521.75
 March – 93,526

MinEx Safety Statistics – Q4 2017

Incident breakdown: Underground – Incident breakdown

**Underground Incidents
Jan 2018 to March 2018**

**Underground Incidents
July 2017 to March 2018**
