# Safety culture/behaviour

What is culture/behaviour around safety like at your site and what would you like to see improve?

www.MinEx.org.nz

What things could you do to address these issues?

- **Management to listen (communication skills)** **9**

- **Supportive environment (lead by example)** **9**

- **Change location/style of H&S meetings** **6**

- **Earn respect of others** **8**

- **Change the way we do things** **8**

- **Positive conversations** **8**

MinEx

What things could you do to address these issues?

- **Consequences for poor behavior**   **5**

- **Promote diversity**   **5**

- **Less stupid rules**   **2**

- **Declutter**   **6**

How do you feel we are doing?
