It's time to have your say on CPD

Workshops on the review of CPD are coming your way ... and it's important to have your say.

The Board of Examiners (BoE) and WorkSafe are coming to a town near you - to explain about the review of the CPD requirements for the Certificates of Competence, and to seek your feedback in person.

The workshops will provide an overview of:

- the current and proposed CPD requirements
- potential transitional arrangements
- the consultation submission process.

There will also be a session for you to ask questions and provide feedback. And the workshop counts as formal CPD hours.

Refreshments and Networking: 5:30pm - 6pm

Workshop: 6pm - 8pm
