

# PRODUCT ALERT - POSSIBLE DEFECT

**As a leading distributor of Grade 80 and Grade 100 Lift Components and Assemblies, COOKES prides itself on delivering quality and safe products for our customers..**

**Possible material defect with a batch of Grade 80 and Grade 100 Rings and Multirings manufactured by Weissenfel in Italy and distributed in New Zealand from June 2010.**

**Potential Defect:** Cracking then failure of Ring (Masterlink) or Multiring (Masterlink Assembly)

**Hazard:** High risk of injury to personal or equipment from falling product or components.

**What to do:** Check brand of Rings & Multirings on lifting chain sets purchased from June 2010. If the component has "ITALY LWA" or "LWA cast on the ring or multiring Withdraw from use immediately and contact your nearest COOKES branch to assist with a suitable replacement.

**Identifying Marks:** On Weissenfel recall components "LWA" or "ITALY LWA"
